

e-safety update

As a school we give guidance about how to stay safe online. We talk about what to do if they feel worried when they are online. Please have a read through how we encourage the children to stay 'smart' online and share these messages with your children.

Useful Resources For Parents

Parentzone and Childnet provide some really good resources for parents and regularly update their materials. Take a look!

Resources For Foundation and KS1

Childnet have also created some really useful resources for younger children - The Digiduck Stories - that you may find helpful
