

Respect and tolerance are at the heart of all we do at Edwalton. This is consistently and frequently discussed with the children through circle time, assemblies, class and school council. Our behaviour philosophy is based around ensuring all children respect one another and can value everyone as individuals. Our aim is for all children to have a moral outlook

- Working with children of different ability and respecting their ideas and opinions
- Showing respect for the work of others using shared open feedback opportunities during and upon completion of work (Peer Assessment)
- Sports Leaders and Peer Mediators
- Work within the wider community e.g. Walkers homeless appeal, Tara's Angels Domestic Violence Easter Egg Appeal,, Harvest festival collection for local people in need
- Y3 and Y4 Anti- Racism lessons and KS1/ KS2 differentiated Anti- Racism assemblies
- Showing respect to each other during class discussions by active listening / not interrupting
- Toilet twinning fund raising (Dec 2018)
- UNICEF RRSA application (2018-19)
- Agreeing / disagreeing with each other's views in a respectful way during class debates
